TO WHOM IT MAY CONCERN :

It is a pleasure and honor to write this letter of recommendation for QL City, a Public Relations and Marketing company with its seat in Warsaw, Bachmacka street 2/74, as a possible agency for handling your business in Poland.

QL City has been representing ZPAV whereas public relations and marketing services are concerned, for the last two years now. We are more than happy with their competence, creativity, reliability and high engagement of the employees in building ZPAV image throughout that time. QL City is by all means worth recommending.

It is a very professional company with high quality standards and a very good knowledge of the Polish music and media market. QL City is open and innovative, they never miss their deadlines.

Thank you once again for the opportunity to recommend this effective and reliable business partner.

Yours sincerely,

Pełnomocnik ZPAV
