To Whom It May Concern,

QL City Marketing Communication Agency has been cooperating with Warner Music Poland in the field of new media repertoire placement. Our cooperation includes both consultancy as well as negotiations with our business partners.

The agency has proven to be very creative and efficient. All projects for Warner Music carried out by QL City have been elaborately and successfully launched according to agreed upon guidelines.

It is our pleasure to recommend QL City for PR and marketing services. We hope you will consider them as your partner.

Yours sincerely,

Beata Reizler
